

Hi all,

A reminder that we are coming up to the end of the year and time for our Annual General Meetings. It's a great opportunity to see how the club is doing and having the opportunity to be part of the club administration.

Given the wide range of functions required, a golf club is one of the most complex entities to manage and operate.

The more people that bring along their skills to helping the club run, the better we are able to run it.

This year we are still looking for people to step up to the following committee positions.

Secretary  
Vice President  
Vice Captain  
Committee member

If you are keen to be involved with the governance of our club, we would welcome your contribution on the committee.
